Education

Software Developer 2020 - 2022

SoftUni, Sofia

Down below, you can check all the courses I've been through. Working on individual and group projects with C# and JavaScript. I prefer front-end related parts of projects. Developed skill in online searching and educating.

Business Management and Entrepreneurship 2022

New Bulgarian University, Sofia

First Year Student in New Bulgarian University, learning the process of managing a business and the deeps of working and socializing among people.
